FALL 2021 NEWSLETTER

NMDHA FALL FIELD DAY

Sept. 25, 2021

Don Copa

13071 Forest Rd.

Little Falls, MN 56345

We were blessed with a beautiful day for our Fall Field Day. It was good to be able to get together to show off our animals and driving skills along with other demonstrations throughout the day.

We give thanks to our host Don Copa and his family for providing the grounds and all the help and other things they did to help put on a great day.

The children also had activities that they were able to participate in. They were able to paint gourds and take them home. They also had a horse guessing game.

The staff of the NMDHA would like to thank all of those who helped at the gates, parking and helped with the potato bags. Also, we thank those who brought their animals to participate in the various field events. Thank you to all of the others that participated in some way to be able to show the public how things were done.
